REPORT OF INDEPENDENT AUDITORS

To the Boards of Trustees of
Dallas Children's Advocacy Center
Dallas Children's Advocacy Center Foundation

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Dallas Children's Advocacy Center and Dallas Children's Advocacy Center Foundation which comprise the consolidated statements of financial position as of December 31, 2015 and 2014, and the related consolidated statements of activities, cash flows, and functional expenses for the years then ended, and the related consolidated notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP"); this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS") and the standards applicable to the financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Dallas Children's Advocacy Center and Dallas Children's Advocacy Center Foundation as of December 31, 2015 and 2014, and the results of their operations and their cash flows for the years then ended in conformity with GAAP.

Report on Other Financial Information

Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The information contained in the supplemental schedules is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. Such information has been subjected to the auditing procedures applied in the audits of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAP. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 11, 2016, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Organization's internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

DECEMBER 31, 2015 AND 2014

A. Nature of Activities

Dallas Children’s Advocacy Center (the “Center”), a Texas non-profit organization, is recognized by the Internal Revenue Service as tax-exempt under Section 501(c)(3). The Center provides an innovative approach to improve the treatment of child victims of sexual and physical abuse in Dallas County, Texas. The Center offers a coordinated, multi-disciplinary intervention system involving law enforcement, specialized forensic interviewers, prosecutors, child protective service workers, therapists, and medical personnel working together as a team in a single location.

Dallas Children’s Advocacy Center League (the “League”) was created to support, serve, and promote the interests of the Center. The League is not incorporated and is under the same EIN as the Center.

Dallas Children’s Advocacy Center Foundation (the “Foundation”) was organized in 1997 as an independently incorporated supporting organization for the Center operating exclusively for charitable and educational purposes within the meaning of Section 501(c)(3). Under the Foundation’s Articles of Incorporation and By-Laws, the Center’s Board of Trustees has authority to elect the majority of the Foundation’s directors. Therefore, all activities of the League are consolidated with the Center’s activities. Notwithstanding this relationship, the Foundation is not required by its Articles of Incorporation or By-Laws to make annual grants or distributions to the Center. The Foundation supports and benefits the Center by, among other things, receiving, holding, investing, and managing gifts, grants, contributions, and bequests which are intended to benefit the long-term goals, purposes, and objectives of the Center. As such, net assets are classified as unrestricted – Board designated. It is the intention of the Foundation to make an annual 4% distribution of its investment assets, if requested by the Center. All activities of the Foundation are consolidated with the Center’s activities (collectively, the “Organization”).

B. Summary of Significant Accounting Policies

A summary of the Organization’s significant accounting policies consistently applied in the preparation of the accompanying consolidated financial statements follows:

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“GAAP”) requires management to make estimates and assumptions that affect certain reported amounts in the consolidated financial statements and accompanying notes. Actual results could differ from these estimates and assumptions.

**DALLAS CHILDREN'S ADVOCACY CENTER
DALLAS CHILDREN'S ADVOCACY CENTER FOUNDATION**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS *(continued)*

B. Summary of Significant Accounting Policies – continued

Basis of Accounting

The accompanying consolidated financial statements include the consolidated accounts of the Center and the League combined with those of the Foundation and are presented on the accrual basis of accounting in accordance with GAAP. All significant intercompany transactions and balances have been eliminated.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with an initial maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents include cash and short-term investments in money markets. The investments in mutual funds, although liquid in nature, are intended by the Boards of Trustees to be held as long-term investments and therefore are not included in cash equivalents.

The Organization maintains deposits primarily in two financial institutions, which may at times exceed amounts covered by insurance provided by the U.S. Federal Deposit Insurance Corporation ("FDIC"). The Organization has not experienced any losses related to amounts in excess of FDIC limits.

Grants and Pledges

Unconditional promises to give or pledges receivable are recorded as revenue in the year made. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows. The discount on those amounts is computed using risk-adjusted interest rates applicable to the years in which the promises are expected to be received. Amortization of the discount is included in contribution revenue. Conditional promises to give are recognized when the conditions on which they depend are substantially met.

The Organization reports gifts of cash and other assets as restricted support when they are received with donor stipulations that limit the use of the donated assets. When the intent of the donor is that the assets are to remain in perpetuity, the assets are reported as permanently restricted. When a donor restriction expires, that is, when a stipulated time restriction ends or program restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the consolidated statement of activities as net assets released from restrictions.

Net assets are released from donor restrictions by incurring expenses that satisfy the restricted purposes or by occurrence of other events specified by donors. It is the policy of the Organization to report temporarily-restricted contributions that are received and expended in the same year as unrestricted.

DALLAS CHILDREN'S ADVOCACY CENTER FOUNDATION**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS *(continued)*

B. Summary of Significant Accounting Policies – continued

Grants and Pledges – continued

Corporate, individual, and foundation contributions, as well as federal, state, county, and city governments, and agencies contribute substantial resources toward the fulfillment of projects initiated by the Center. Pledges receivable represents amounts promised but not yet received. Grants are normally received on a cost reimbursement basis and are awarded based on contracts made with each entity. Grants receivable represents costs expended based upon the contract but not yet reimbursed by the granting authority.

Allowance for Uncollectible Receivables

The reserve method is used in accounting for bad debts. Management periodically reviews accounts, pledges, and grants receivable on an account-by-account basis concentrating on accounts more than 90 days old. Management considers the Organization's past history with the consumer, current contact information, and the size of the account in evaluating the reserve requirements. Accounts are written off when it appears collection efforts will not be successful. As of December 31, 2015 and 2014, the allowance for uncollectible pledges receivable was \$28,316 and \$33,769 respectively. There were no allowances for uncollectible accounts receivable or uncollectible grants receivable as of December 31, 2015 or 2014.

Deferred Revenue

Revenue from pre-sold event tickets and sponsorships is deferred and recognized in the year in which the performance or event to which they relate occurs.

Investments

GAAP requires investments with readily determinable fair values to be stated at fair value, with unrealized gains and losses from fluctuations in market value included in the statement of activities, and establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are described below:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, quoted prices within active or inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.

**DALLAS CHILDREN'S ADVOCACY CENTER
DALLAS CHILDREN'S ADVOCACY CENTER FOUNDATION**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)

B. Summary of Significant Accounting Policies – continued

Investments – continued

- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

Following is a description of the valuation methodologies used for the Organization's investments that are measured at fair value:

- Money Market Funds — Valued at the net asset value (NAV) per unit at year end.
- Equity Securities — Quoted market prices.
- Debt Securities — Valued using quoted prices for investments with similar yields and bond ratings.

The methods described may produce fair value measurements that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Net Assets

The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Unrestricted net assets — Unrestricted funds represent resources that are available for the support of the Organization's operations. Unrestricted net assets include Board designated funds which may be earmarked for certain specific uses.

Temporarily restricted net assets — These funds include grants, gifts, third party reimbursements and other program income expendable only for purposes specified or approved by the donor. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted net assets — These funds require that principal be invested in perpetuity. The Organization does not have any permanently restricted net assets.

**DALLAS CHILDREN'S ADVOCACY CENTER
DALLAS CHILDREN'S ADVOCACY CENTER FOUNDATION**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)

B. Summary of Significant Accounting Policies – continued

Property and Equipment

Land, building, and equipment are stated at cost. Depreciation is computed using the straight-line method over the estimated useful lives of the assets for financial reporting purposes. Expenditures for major renewals and betterments that extend the useful lives are capitalized. Expenditures for normal maintenance and repairs and capital expenditures under \$5,000 are expensed as incurred. The cost of assets sold or abandoned and the related accumulated depreciation are eliminated from the accounts and any gains or losses are reflected in the accompanying consolidated statement of activities of the respective period. The estimated useful lives range from 3 to 30 years.

Long-lived Assets

The Organization evaluates its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of these assets is measured by comparison of their carrying amounts to future undiscounted cash flows that the assets are expected to generate. If long-lived assets are considered to be impaired, the impairment to be recognized equals the amount by which the carrying value of the asset exceeds its fair market value and is recorded in the period the determination was made. Based upon management's assessment, there was no impairment of long-lived assets at December 31, 2015 or 2014.

Contributed Assets and Services

The Organization reports gifts of land, buildings, and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how these long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. For the years ended December 31, 2015 and 2014, the Organization did not receive any donated property and equipment.

Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. The Organization reports such contributions at their estimated fair value when received. There were no contributed services recognized in the consolidated statement of activities for 2015 and 2014.

**DALLAS CHILDREN'S ADVOCACY CENTER
DALLAS CHILDREN'S ADVOCACY CENTER FOUNDATION**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS *(continued)*

B. Summary of Significant Accounting Policies – continued

Functional Allocation of Expenses

The costs of providing the various programs and supporting services have been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Salaries, wages, and benefits of certain members of management, mainly the CEO, finance, and operations staff, have been allocated among the programs and supporting services benefited based on the headcount percentage in each functional area. Management and general are those expenses that are not allocated to a program, fundraising activity, or education and include certain activities of the CEO; as well as support areas such as finance and operations.

Printing and Advertising

The Organization expenses advertising costs as they are incurred. Printing and advertising costs for the years ended December 31, 2015 and 2014, consisted of approximately \$130,000 and \$229,000, respectively.

Federal Income Taxes

The Organization is generally exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code ("IRC") as an organization other than a private foundation. GAAP prescribes a comprehensive model for the financial statement recognition, measurement, presentation, and disclosure of uncertain in tax positions taken or expected to be taken in income tax returns. Management believes that it has not taken a tax position that, if challenged, would have a material effect on the Organization's financial statements. The Organization files Form 990 in the United States federal jurisdiction within the United States and no tax returns are currently under examination by any tax authorities.

C. Fair Value of Financial Instruments

The financial instruments recorded in the statements of financial position include cash and cash equivalents, short term investments, accounts receivable, pledges receivable, grants receivable, and accounts payable and accrued liabilities. Due to their short-term maturities, the carrying amounts of these items are believed to approximate their fair market values.

The carrying value of the line of credit approximates fair value since it bears a market interest rate. None of these instruments are held for trading purposes.

DALLAS CHILDREN'S ADVOCACY CENTER FOUNDATION**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)

D. Grants Receivable

Grants receivable at December 31, 2015 and 2014 were approximately \$297,000 and \$405,000, respectively. All grants are receivable within one year. Grants receivables from three organizations represent 64% of the total grants receivable at December 31, 2015, and grants receivable from three organizations represent 82% of total grants receivable at December 31, 2014.

In addition, the Organization had the following grant commitments at December 31, 2015 and 2014, conditioned upon incurring certain qualifying costs, which are not recognized as assets in the consolidated statements of financial position:

	<u>2015</u>	<u>2014</u>
CAC of Texas, Inc.	\$ 438,863	\$ 333,651
Criminal Justice Division – Office of Governor	893,495	185,107
Dallas County	195,254	-
Other Victims Assistance Grant	<u>28,278</u>	<u>25,920</u>
Total conditional grants receivable	<u>\$ 1,555,890</u>	<u>\$ 544,678</u>

E. Pledges Receivable

Discounted pledges receivable are amounts that comprise the following unconditional promises to give at December 31:

	<u>2015</u>	<u>2014</u>
Less than 1 year	\$ 592,487	\$ 539,658
1-5 years	<u>293,243</u>	<u>421,950</u>
Total pledges receivable	885,730	961,608
Less: allowance for uncollectible pledges	28,316	33,769
Less: discount to adjust pledges to net present value	<u>5,193</u>	<u>9,291</u>
Net pledges receivable	<u>\$ 852,221</u>	<u>\$ 918,548</u>

Pledges receivable at December 31, 2015 and 2014, consist of 60% due from three donors and 64% due from two donors, respectively.

The discount rate used by the Organization to calculate the present value of the pledges receivable at December 31, 2015 and 2014, was 1.75% which was the cost of borrowing associated with a previous line of credit that was paid off and closed during 2013.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)

E. Pledges Receivable – continued

The Organization initiated a capital campaign in 2009 to raise funds for a new facility. Gross pledges receivable at December 31, 2015 and 2014, related to the campaign totaled approximately \$110,500 and \$234,800, respectively, with related discounts of approximately \$1,000 and \$2,300, respectively.

Pledges made to the Organization, the receipt of which are conditional upon the occurrence of specified events or actions, are not recognized in the consolidated financial statements until such events or actions occur.

F. Investments

Investments at fair value refer to those amounts held at third party financial institutions and are reported at fair value. Unrealized gains or losses are recorded each year to adjust to fair value. Realized and unrealized gains or losses are determined by comparison of cost to proceeds or market, respectively.

Investments, at fair value, consist of the following as of December 31, 2015:

	<u>Cost</u>	<u>Fair Value</u>	<u>Unrealized Appreciation</u>
Money market	\$ 416,410	\$ 416,410	\$ -
Fixed income common funds	1,865,921	1,756,475	(109,446)

J. Employee Benefit Plan

The Organization has a defined contribution retirement plan covering substantially all of its employees. Employees may contribute a percentage of their salary to the plan, subject to certain limitations imposed by the IRC. The Organization matches these contributions, upon one year of service, based on the lesser of 100% of the employees' salary reduction or 4% of total compensation for the year. Included in the consolidated statement of activities is approximately \$68,000 and \$53,000 in matching contributions for the years ended December 31, 2015 and 2014, respectively.

Effective January 1, 2012, the Organization established the Dallas Children's Advocacy Center 457(f) Deferred Compensation Plan for the benefit of its Chief Executive Officer. This plan is not subject to the terms of the Employee Retirement Income Security Act of 1974. The Organization's contributions to the plan are based on bonus amounts awarded (if any) in the year 2011, 2012, and 2013. Unpaid benefits under this plan accrue interest at 3% per annum.

As of December 31, 2015 and 2014, approximately \$74,000 and \$105,000, respectively, had been accrued for the deferred compensation plan. Payments of the deferred compensation plan will occur in 2015, 2016, and 2017. Approximately \$33,000 of deferred compensation was paid out in 2015.

K. Commitments and Contingencies

In the normal course of business, the Organization may become party to various claims, litigation, and assessments. Management is unaware of any such matters that would have a material impact on the consolidated financial statements in the event of an unfavorable outcome.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (continued)

K. Commitments and Contingencies – continued

In 2005 the Organization entered into a management agreement with Crimes Against Children, Inc. ("CACI"), stating that CACI will assist in organizing the Crimes Against Children Conference on an annual basis until 2021. The Board engaged an outside consulting firm to evaluate this contract as to reasonableness of compensation. That firm determined that given the facts and circumstances the contract was reasonable. This contract is contingent upon CACI's key employee being actively involved in the management of the conference and the conference being held.

The Organization leases office equipment under various operating leases with several unrelated parties. The equipment lease terms range from four to five years, with one ending in 2014 and the others ending between 2016 and 2018.

Future minimum payments under non-cancelable operating leases with initial terms of one year or more were approximately as follows at December 31, 2015:

2016	\$	40,000
2017		39,000
2018		2,000
2019		-
2020		-
Thereafter		-
		-
	\$	81,000

Total rent expense for the years ended December 31, 2015 and 2014, was approximately \$41,000 and \$43,000, respectively.

The Organization leases office space in its building to the City of Dallas and the Texas Department of Family and Protective Services under non-cancelable operating leases with three to five year terms expiring in 2020. The Organization recognized rental income from these lease arrangements of approximately \$180,000 for each of the twelve months ended December 31, 2015 and 2014.

Future minimum rental income to be received from non-cancelable operating leases with initial terms of one year or more approximate the following at December 31, 2015:

2016	\$	184,000
2017		185,000
2018		185,000
2019		54,000
2020		9,000
Thereafter		-
		-
	\$	617,000

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS *(continued)*

L. Concentration

The Organization derives its revenue from a combination of private contributions and public funding. Continued funding from these sources at current levels is dependent upon various factors. Such factors include economic conditions, compliance with grant provisions, continued government approval, new legislation, donor satisfaction, and public perception of mission effectiveness, and relative importance. In 2015 the Organization received approximately 43% of its revenue from Education, primarily through the annual Crimes Against Children Conference.

M. Gifts of Future Interest

In the ordinary course of its activities, the Organization receives gifts of future interest in the form of bequests which are revocable during the donor's lifetime. The value of such gifts is not readily determinable. In addition, the gifts are conditional and revocable until the donor expires. Due to the nature of these intentions, the Organization has not recognized these gifts as assets or contribution revenue.

N. Subsequent Events

In preparing the consolidated financial statements, the Organization has evaluated all subsequent events and transactions for potential recognition or disclosure through May 11, 2016, the date the financial statements were available for issuance.
